

Angie's Candies

Product Uses

8/17/2025 - Chocolate Suckers: Fun, Festive, and Ready to Use

Our chocolate suckers are sweet, colorful treats that can be used in lots of creative ways. Each one is individually wrapped in a clear cellophane bag, making them easy to hand out or display. Whether you're planning a party or putting together a gift basket, these chocolate pops add a special touch.

Here are some great ways to use them:

- 🎉 **Party Favors** – Perfect for birthdays, baby showers, and holiday gatherings.
- 💝 **Gifts** – Add them to gift bags or baskets for a fun and tasty surprise.
- 🍰 **Cake & Cupcake Toppers** – Use one or more to decorate desserts with a festive flair.
- 🌸 **Holiday Decorations** – Choose themed molds like hearts for Valentine's Day or flowers for Mother's Day.
- 🌺 **Candy Bouquets** – Arrange suckers in a small vase or pot with floral foam, then cover with decorative shred for a beautiful edible centerpiece.
- 🎨 **Color Coordination** – Our suckers come in a variety of colors to match your party theme or seasonal décor.

They're easy to use, fun to display, and always a hit with guests. Just unwrap and enjoy—or get creative with how you show them off.

8/23/2025 - Chocolate Mints: Whimsical, Versatile, and Ready to Display

Our chocolate mints are handcrafted in fun, eye-catching shapes—from sweet little bears to elegant roses and hearts. These colorful treats are perfect for creative presentations and edible décor. Whether you're setting up a market table or designing a dessert spread, these mints add a playful, polished touch.

Here are some great ways to use them:

- 🍬 **Candy Trays & Dessert Tables** – Arrange mints by color or shape for a beautiful, ready-to-serve display.
- 🌸 **Edible Decorations** – Use them to embellish cakes, cupcakes, or cookie platters with a pop of color and texture.
- 🎁 **Wedding & Shower Favors** – Scatter them on tables or packaged in clear boxes for a romantic touch. Great for baby showers, anniversaries and weddings.
- 🎨 **Color-Themed Displays** – Group by hue to match seasonal palettes or event themes (pastels for spring, bolds for holidays).
- 🌿 **Boutique Table Accents** – Scatter them on trays or around centerpieces to draw attention and invite sampling.
- 🧑‍🍳 **Tasting Stations** – Offer them as a refreshing finish at pop-ups, fairs, or chocolate tastings.

These mints are more than just delicious—they're a design element. With their playful shapes and vibrant colors, they're made to be seen, shared, and savored.
